ADDITIONAL INFORMATION & COMMENTS

We are asking the court to please Amend the original restitution order setting restitution at \$6221.23 and now set it at zero instead. We contacted the victims (Firststar Corp.) and (Elan) and I was informed they could not make a claim as this case is too old (1988) and they no longer have records that old. The owner of the stolen credit car was in a nursing home at the time but is no longer around. Therefore, it is respectfully recommended that restitution be set at zero.
